

*Beauty Secret from the Blue Ocean*

# FucoSkin®

Laminaria Japonica Extract

---

Clinically Proven  
Marine Active Ingredient

Halal & ISO 22716 certified

---

## Perfect for Anti-Aging & Photo-Aging Protection

In human clinical trials, FucoSkin® improved skin smoothness, wrinkles, dermal collagen structure, pores and skin spots, thus reversing the signs of aging.

# Experience the Power of FucoSkin®: Unveil Youthful, Radiant Skin

In a human clinical trial, the remarkable benefits of FucoSkin® have been scientifically validated. The trial demonstrated that FucoSkin® has the power to improve collagen structure, leading to a substantial improvement in the appearance of wrinkles. Participants experienced a noticeable reduction in wrinkle depth, resulting in smoother and more youthful-looking skin.

**STRIVING FOR NEXT-LEVEL**

**BLUE BEAUTY**

**Ocean Re-New® Series Powered with  
Clinically Tested FucoSkin® Ingredient**

Hi-Q developed Ocean Re-New® to be part of the “blue beauty” by offering ocean stewardship through responsibly developed consumer goods. Sustainability can be seen in every step: from highly effective scientifically proven ingredients that allow consumers to use less with the same efficacy, to recycle pack materials, to buy a refill instead of a complete product.
